

**DDT**

“MANAGING YOUR GLASS REQUIREMENTS”

# **COMPANY PROFILE**

**DDT identified a niche in the often “negative perception” associated with the repair & replacement industry. DDT was established in order to specialize in cost effective, quality guaranteed auto glass replacements & repairs. DDT has taken away the stress of having to drive to fitment centers for replacement of auto glass and will come to you, wherever you are, “auto glass at your command!”**

**Some of the benefits of supporting DDT are as follows:**

- ✓ **Quality workmanship**
- ✓ **Excellent customer service – friendly up market service and care from staff.**
- ✓ **Cost effective and quality products**
- ✓ **Fully equipped mobile fitment units – replacements undertaken at your convenience, wherever you are!**
- ✓ **Hassle free Insurance claims dealt with promptly.**

## **STRUCTURE OF THE BUSINESS**

**DDT is owned and managed by Cindy Schutz. Cindy has been in the motor industry for more than 25 years and has worked in glass for 15 of those years. Cindy is passionate about giving back to an industry so often taken for granted. Her team brings with it extensive experience in the business arena and are passionate about servicing clients and avoiding the critical mistakes that are often made when running a business. Cindy has been successful in the business empowerment arena by mentoring and coaching Owen Nkumane of Front Row Autobody. From site selection and rental negotiation to staff procurement and business sourcing, Cindy has ensured that the business is sustainable and has passed on the necessary skills for Owen to manage his business for many successful years to come**

## **BUSINESS DESCRIPTION**

**DDT specialises in automotive glass replacements and repairs to all makes of vehicles, including the replacement of bus and truck glasses as well as glass for earth moving and construction equipment.**

## **AUTOGLASS REPLACEMENTS AND REPAIRS**

**With Management’s extensive experience in the glass industry, DDT is at the forefront of automotive glass replacements and repairs in the country. Our mobile units are geared to do replacements wherever the vehicle may be. The advanced equipment used and our experienced, committed staff ensures that the job is done professionally every time. With a broad range of suppliers, we can locate and fit the most competitively priced glass, whether it is original or alternative. DDT will source it for you!**

## BENEFITS OF ALTERNATE GLASS

- **Pricing – cost effective products.**
- **Quality of glass – SABS approved, and in some instances, the glass is original equipment e.g. Fuyao Discovery 4 windscreen. See below diagram.**
